

Start-Up Order Form for New Endodontic Practices

An easy-to-use guide for stocking your expendables.

We have compiled this order form as an easy way for you to obtain all the supplies you will need to start your practice. This form contains all the pertinent items that you will need for your daily activities, as well as items which may be required in an abnormal procedure or emergency.

The order form is broken down into four sections: Prepare Operatory, Patient Prep, Examination and Procedure.

All items found in this form are available in the Ultimate Dental catalog. For questions call: **(800) 388-7868**.

Save 10% On Your Set-Up Order!

Order must be prepaid. New Practice or Second Office. \$1,000 minimum order. Excludes sale items and contract items.
